Dear Xuan,

I am pleased to inform you that you have been awarded the 2022 Vice-Chancellor's Award for Early Career Researchers. This Award recognises the outstanding contribution you have made as an early career researcher to the University.

In recognition of this significant achievement, you will be presented with a certificate at the Staff Awards Ceremony on 8 December 2022. You will also receive \$2,500 to fund opportunities to broaden your research networks and enhance your research standing and recognition. This money will be deposited into an account within your College.

Congratulations on your achievement.

Yours sincerely,

Professor Colin Stirling  
President & Vice-Chancellor

cc: Professor Alistair Rendell, Vice President and Executive Dean, College of Science and Engineering  
Professor Claire Lenehan, Dean (Research), College of Science and Engineering  
Professor Kathleen Soole, Dean (People and Resources), College of Science and Engineering  
Professor Colin Raston, College of Science and Engineering
